Primrose School Ocoee, Florida

RB Marks Construction completed construction on Phase 1 of The Fountains at the Tivoli Place, a 12-acre commercial project in Ocoee Florida developed by Epic Development Group. Included in the phase 1 work is the construction of a new location for Primrose schools. This project is a 12,000 square-foot private childcare facility owned by Octobers Holdings. The overall scope of the work includes extensive site work, a 12,000 sf cmu/truss structure, installation of and connection to local utilities, and a very unique children's play area installed by Natural Playgrounds. This project led to 3 more Primrose Schools in Florida.
